i) ***Emerging issues (including questions raised) identified during implementation of the activity***

- Issues of time management was raised by the Capacity building specialist ACAV to the women groups as a key factor in the day to day operations of the business and they need to own the project so that managing it becomes easy for the group. He also added that the group member should be united and have a program for managing their business.
- The CDO Koboko Municipal Council thanked CERID for being transparent and working with the community and also requested the group members to be transparent in their business and this project should bring peace between the host community and the refugees and all that they got from the training should be put in to practice.
- The LC111 Chairperson in her closing remarks thanked CERID and called for unity among the group members and take this opportunity to develop themselves even up to household levels.

j) ***Constraints/ Problems/ Challenges (Describe challenges faced during implementation of activities and how you plan to overcome them)***

High expectation by the group members for more support even after delivering what they applied for.

k) ***Any further action needed: (be specific with the plan moving forward including responsibilities and timelines)***
